PROFESSIONAL SUMMARY

Creative and detail-oriented **Senior Front-End Developer** with 7+ years of experience designing, developing, and delivering scalable, visually engaging web applications across diverse industries. Specialized in **Angular** (up to v19) and highly proficient in crafting dynamic UIs, optimizing performance, and leading UI/UX implementations. Skilled in enforcing code quality using ESLint and Husky, developing data-driven dashboards, and generating dynamic PDFs using jsPDF. A collaborative team player with strong problem-solving capabilities.

PROFESSIONAL EXPERIENCE

Sr. Angular Developer

Xenex Media (Remote – Australia) | Aug 2021 – Present

- Led front-end development for a design platform tailored to real estate businesses
- Delivered performance-optimized Angular applications using TypeScript and Laravel
- Built reusable components, improving development speed by 50%

Sr. Front-End Developer

ApptimumLabs (On-site – Lahore, Pakistan) | Apr 2020 – Jul 2021

- Developed web interfaces with Angular and Node.js for enterprise applications
- Integrated third-party APIs and improved cross-browser compatibility
- Mentored junior developers in Angular best practices

Front-End Developer

Apply4U (On-site & Remote – Multan, Pakistan) | Jan 2018 – Apr 2020

- Contributed to the award-winning UK job portal, Apply4U
- Built responsive UI using Angular 7, Bootstrap, and .NET backend
- Enhanced UI consistency and reduced page load times significantly
